

Listening. Learning. Leading.®

At ETS, education is more than our business. It's our mission.

As part of our mission, we administer over 50 million tests, such as the *TOEFL*® and *GRE*® assessments, to help advance quality and equity in education worldwide. The Natural Language Processing & Speech Group at ETS is integral to fulfilling that mission. It develops systems to provide reliable and valid analysis of text-based and spoken responses, as well as student and teacher support tools.
